RE: Incorrect Change made to Application No.: 10/576,215

Dear Mr. Huson:

As discussed today, I am forwarding the first page of the Office Action dated 01/21/09 for Application Serial No.: 10/576,215. This was sent to Sheehan Phinney Bass & Green, Customer No. 57449 in error. It appears that the customer number, correspondence address and first named inventor have been erroneously changed.

I believe the change may have been made based upon the incorrect International Application (PCT/IB2004/051336 – is associated with 10/567,215 – Customer No. 57449, Sheehan Phinney Bass & Green, First Named Inventor: David Magda Eddy Corynen) being stated on the DO/EO Worksheet (copy attached). I have attached a copy of the Notice of Publication, which contains the correct customer number, correspondence address and first named inventor.

Please contact me should you have any questions.

Thank you,

Mona Bieler
